

## **Volunteers**

Are you passionate about the work of the voluntary and community sector?

Are you interested in developing a career in the Third Sector?

The Foundation develops philanthropy, helps local companies such as Cheffins and Microsoft with their Corporate Social Responsibility and makes grants to local groups to support local needs.

We are always on the lookout for volunteers who have office-based skills to offer or those who can help with ad hoc events or those who can travel the county visiting projects we've funded offering support and advice.

If you have time and skills to give please email [info@cambscf.org.uk](mailto:info@cambscf.org.uk).
